## Mobile unit to serve elderly, disabled

The Santee-Lynches Aging and Disability Resource Center Mobile Unit is in Lee County now on every second and fourth Wednesdays of the month.

The mobile unit provides adults 55 and older with information and one-on-one coun-

seling about Medicare, prescription assistance, longterm care options, housing needs, insurance counseling, and Medicare Part D help.

Santee-Lynches ADRC provides a single point of access to information, services and programs that will help

people 55 years of age and older and adults with a disability remain active and independent.

Santee-Lynches ADRC serves Clarendon, Lee, Kershaw and Sumter counties.
